by: sara

### ③ Development

**Problem:**
He needed to get money very badly.

**Goal:**
To be the most known magician so he can get morre money.

**Outcome:**
Yes because he turned very rich and poppular by taking his act to Europe.

### ④ Memorable Interactions

**Quote:**
"My brain is the key that sets my mind free."

**Action:**
He locked himself in hadcuffs,, and got into a clay pot full of water with chains. The top was locked on and he got out.

**Interactions:**
Very well because he was a very kind man. He also accepted hard challanges.

### ⑤ Personal Impression

**Personal Impression:**
Yes because I really like magic and he was a magician. I think he's risky and dangerous because he swallowed needles! That is crazy if you ask me. I made the card because I like magic and he was very good at magic tricks.
